*(Video in italics; audio in regular type.)*

We are divided by so many things...

Race

*Black, white, Hispanic, Arab* *(shown on screen at rapid rate while announcer does the audio.)*

Nationality

*American*

*Iraqi*

*German*

Politics

*Liberal or conservative*

With all the division in the world, does there have to be division in our religion, too?

Can't we find some way to believe and worship alike?

Maybe we can...

*(Show diverse people sitting to worship together)*

What if we set aside all our preconceived ideas about what church is supposed to be?

*(Show a traditional church building or cathedral)*

What if we agreed to follow the Bible... no more, no less?

*(Show people studying the Bible)*

What if we agreed to be just Christians?

It's possible. And that's our message....

*The Churches of Christ*
